

Cookies

1. Cookies is a term referring to a certain amount of data stored by our website in your computer or any eligible device (mobile device, tablet, etc.) and necessary for a proper functioning of the website. In each subsequent visit to our website, the browser returns the saved data to the server hosting our website. Cookies are commonly used to distinguish individual users, and user preferences are saved in them. Third-party websites are sometimes retrieved together with the loading of our website. Third parties usually help us monitor the traffic and visits to our website. In these cases, the data stored in cookies are sent by your browser to the servers hosting the third-party websites.
2. Our website uses the following cookies, which, however, require your consent. They have the following purposes:¹
 - a) Cookie 1; local storage - upload your files
3. Our website uses third-party services that store their cookies to monitor the traffic and visits to our website. We have no control over their contents. However, your consent is required for their use. You can obtain more information about these cookies on the links listed for each of them:²
 - a) Third-party cookie – Google Analytics (for more information refer to <https://www.google.com/policies/technologies/cookies/>)
 - b) Third-party cookie – Facebook (for more information refer to <https://www.facebook.com/policies/cookies/>)
 - c) Third-party cookie – Twitter (for more information refer to <https://help.twitter.com/en/rules-and-policies/twitter-cookies>)
 - d) Third-party cookie – Hotjar (for more information refer to <https://www.hotjar.com/privacy>)
4. Our website uses third-party cookies to allow the functionality of some elements. We have no control over their contents. Your consent is not necessary for their use. You can obtain more information about these cookies on the links listed for each of them:³
 - a) Third-party cookie – Auth0.com (for more information refer to <https://auth0.com/privacy/>)
5. You can change your consent to the use of cookies at: hello@workprotector.com at any time.

¹ Please fill in as appropriate. If necessary, please also specify the cookie name displayed in the browser. If there are no such cookies, you can replace the text of the provision as follows: “Our website does not use any first-party cookies that would require your consent.”

² Please modify as appropriate. If there are no such cookies, you can replace the text of the provision as follows: “Our website does not use any third-party cookies that would require your consent.”

³ Please fill in as appropriate. If there are no such cookies, you can replace the text of the provision as follows: “Our website does not use, to allow the functionality of some elements on our website, any third-party cookies not requiring your consent.”

6. You can accept or reject cookies by changing your browser settings. You can even delete existing cookies. However, deactivation of cookies will make the use of this website difficult or impossible to use it properly.
7. Further information about personal data protection can be found in a separate document available on a website www.workprotector.com.

Model cookies notification

Cookies requiring consent	Cookies not requiring consent	Displayed notification
0	0	No need to display any notification.
0	1	This website works better with the use of cookies. You can change cookies settings at any time. More information about the use of cookies is available here (<i>a link to a page about cookies</i>). + <i>"Close" button</i>
